### What data is being collected?

We may collect the following types of personal data from You:

- ✓ Personal information such as gender, name, date of birth and address
- ✓ Contact information (email address and phone number)
- ✓ Employment information, financial information, relevant education and trading experience
- ✓ Citizenship and social security numbers or national identity and passport numbers
- ✓ Proof of photo ID and/or address
- ✓ Unique technology device number (ip address) and other information including the version and type of web browser You use
- ✓ Financial sanctions and credit header information
- ✓ Location data
- ✓ Trading performance
- ✓ Telephone or electronic communication
- ✓ Any other similar information

### What is the legal basis and the purpose of processing the data?

To deliver Our contracted services (or steps taken on Your request prior to entering into a contract) and to achieve compliance with applicable laws and regulations, We process and share Your personal information for the purposes of providing Our financial services as follows:

- ✓ To manage Your account(s)
- ✓ To meet Our anti money laundering (“AML”) and other regulatory obligations such as client due diligence, regulatory reporting, preventing financial crime, and deciding if Our product is appropriate or suitable for Your needs
- ✓ To send You correspondence in relation to the services provided and to fulfil Our regulatory and compliance obligations
- ✓ To perform Our electronic AML screening checks and to comply with other fraud detection policies. This may generate further information on Your credit history, criminal convictions or political interests leading to Us making decisions based on the results of these checks
- ✓ To respond to Your enquiries, complaints and issues

- ✓ For internal business purposes and record keeping
- ✓ For Evaluating the effectiveness of marketing and for research, training and statistical analysis with the aim of improving the services We provide to You

### Will the data be shared with any third parties?

We share Your personal data (including copies of Your identification and accompanying documents used for address verification) to enable Us to process data for the purposes outlined above.

We may share Your data with:

- Other group companies of ayondo group
- Affiliates, Introducing Brokers or White Label business partners
- Credit Reference Agencies
- External service providers and professional advisers that provide services to ayondo
- Financial Regulators
- Law Enforcement Agencies

- Any person authorised by You including Your solicitor, accountant or broker

### **Will the personal information be transferred outside of the EU?**

We may transfer Your personal information outside of the European Economic Area where it is necessary to fulfil Our contractual obligations to You or where We are required to achieve compliance with applicable laws and regulations

In connection with providing You Our services, We may be required to send personal information to countries outside of the EEA to countries which have not been deemed to have adequate standards of data protection. When We do so, We will perform a risk assessment prior to such transfer and will use EEA recognised and enforceable Model Clause contracts so that Your information is protected in line with relevant data protection laws.

### **How long will the data be stored for?**

We will retain Your personal data for as long as necessary to meet local legal, regulatory and business requirements. For example, We are subject to certain anti-money laundering laws which require Us to retain Your data for a period of five years after Our business relationship with You has ended. Retention periods may be extended if We are required to preserve personal data in connection with litigation, investigations and/or proceedings.

### **What safeguards are in place to protect Your data?**

We have implemented appropriate technical and organisational measures to secure the processing of personal data. These safeguards will vary depending on the sensitivity, format, location, amount, distribution and storage of the personal data, and include measures designed to keep personal data protected from unauthorised access. If appropriate, these safeguards include the encryption of communications via SSL, encryption of information during storage, firewalls, access controls, separation of duties, and similar security protocols.

We restrict access to personal data to personnel and third parties that require access to such information for legitimate, relevant business purposes.

All Our staff members, contractors and third parties who have access to personal data on Our instructions are bound to confidentiality and We use control mechanisms to limit access to individuals that require such data for the performance of their responsibilities and tasks.

We have information security policies in place. Such security policies and systems are frequently audited.

### **What rights do You have as data subject?**

You have the following rights with respect to Your personal data:

- ✓ The right to access Your personal data
- ✓ The right to request that Your personal data is corrected if it is found to be inaccurate
- ✓ The right to request that Your personal data is deleted where it is no longer necessary for Us to keep it
- ✓ The right to withdraw consent to processing at any time, where relevant

- ✓ The right to restrict processing where there is a dispute in relation to the accuracy or processing of the personal data
- ✓ The right to request that ayondo provides You with Your personal data and where possible, transmit that data to another data controller if the processing is based on consent or is necessary for the performance of a contract with You. In either case We will process the data by automated means.
- ✓ The right to object to the processing of personal data where processing is based on a legitimate interest.
- ✓ The right not to be subject to a decision which is based solely on automated processing, including profiling which produces legal effects concerning You or similarly, significantly affects You.

### How can the data subject raise a complaint?

Should You have any questions or complaints about Your privacy please contact Us by writing to Our Data Protection Officer. If a complaint is not resolved by us to Your satisfaction, You may complain to the relevant supervisory authority.
